GENERAL CHARACTERISTICS

The OLIS SNACK 650 range has a design that characterises all equipment in both top and monoblock versions, with large knobs and an ergonomic dashboard shape.

The wide choice of machines and high performance make this range the ideal choice for environments that are not very spacious but still require high-performance machines.

The modularity of the range allows infinite combinations with installation on compartment bases or tables.

TECHNICAL SPECIFICATIONS

■ COOKER 4 ELECTRIC PLATES Version on electric oven. Electric cookers are equipped with round cast-iron plates hermetically fixed on the top and have a diameter of 180 mm and 220 mm, with power ratings of 1.5 and 2.6 kW, respectively. Ventilated GN 1/1

electric oven with adjustable temperature from 110-280°C. ■ The plates are hermetically attached to the top, which has a vessel for collecting liquids and is completely smooth for easier cleaning. ■ The electric oven of GN 1/1 dimensions is equipped with armoured heating elements on the top and bottom with independent regulation and adjustable thermostat from 110 to 280°C.
